NEW COVENANT PRESBYTERY PRESENTS A GENEROSITY SEMINAR - SATURDAY, APRIL 28, 2012 8:00 AM – 12:30 PM Memorial Drive Presbyterian Church - Houston, Texas

At this interactive seminar, you will learn how to move your church from a four week stewardship campaign to a year round, spiritually based culture of generosity. The circle of generosity will be explored and discussed within these key areas –

- Prospect identification
- Building relationships
- Sharing the vision
- Opportunities for generosity
- Expressing appreciation
- Celebrating generosity.

The seminar's basic foundation is that generosity springs from the conviction that God owns everything and that we are temporary managers of His treasures. Small group breakouts will deal with topics such as -

- How to bring your budget alive,
- How to celebrate generosity in worship
- How to strengthen members' generosity relationships with God.

You will walk away from this seminar with ideas on how to organize your generosity/stewardship leadership, how to communicate with the different generations that exist in your congregation, how to integrate all aspects of your church into the life of generosity, and how to scripturally teach the basics of generosity. Be prepared to be challenged by how things may have been done in the past, but walk away with a new excitement and energy about generosity for the future of your church.
