

MISSION PROJECT

WORKING TOGETHER TO END WORLD HUNGER

This year at **CONCLAVES**, youth will participate in a one-of-a-kind mission project. Together we will package nutritious, low-cost meals for our brothers and sisters around the world. **STOP HUNGER NOW** is an international hunger relief organization that provides food and aid around the world. **STOP HUNGER NOW**'s mission is to have a world without hunger by packaging low-cost meals and distributing them globally.

Our goal is to package 40,000 meals in 3 hours over 2 Conclaves weekends. We hope to not only provide a needed service but to raise awareness of an issue and give all who attend a more hands on experience of mission!

WE NEED YOUR HELP! Each meal costs \$0.25 and will feed 6 people. To meet our goal of 40,000 meals, we need to raise \$10,000. Several churches have already stepped up to the challenge by giving us generous donations and we are applying for grants through our presbytery. BUT WE NEED YOUR HELP! We need generous contributions from congregations LIKE YOURS in order to make this a reality and give our youth an opportunity to make a difference.

Any amount is gladly accepted! Donations accepted through February 14. Please make checks payable to: Presbytery of New Covenant with "Stop Hunger Now" in the memo line.
