

Secrets to Classroom Success

- Keep your classroom organized
- Create and follow a schedule
- Gather and prepare materials ahead of time
- Plan for transition time
- Take a look at your classroom set up
- Take care of your health
- Ask for help when needed
- Build professional relationships with your parents, co-workers, and children
- Leave your personal life at home
- Tell every child “I love you” every day
- Hug every child every day
- Keep a smile on your face
- Sing – sing - sing
- Treat others how you would like to be treated
- Leave work every day with a smile on your face
- Remember that you cannot change the world overnight
